## ABOUT M&M SAFARI'S

M&M Safari's welcomes all hunters and nature lovers from across the world to come and enjoy this truly African experience.

M&M Safari's is owned and run by professional hunter and outfitter, MC Venter, who has vast experience of the modern hunting trade.

MC and his team have all grown up on local farms, with their headquarters in rural Dendron, 60 kilometers (40 minutes by road) north of Polokwane, in the heartland of the northern savannah farming and gaming communities of the Limpopo Province, South Africa.

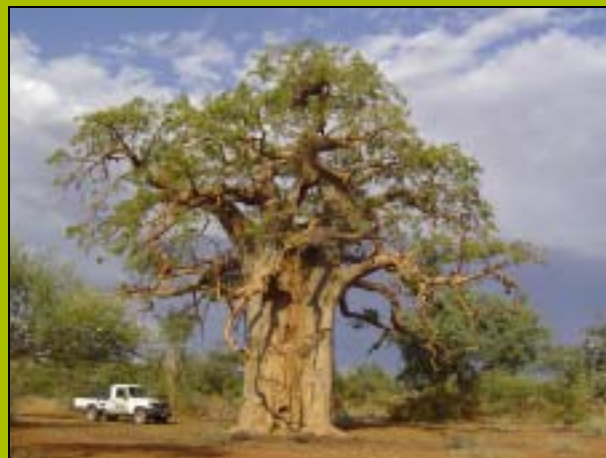

Staff is extremely well trained and promises you a hunting experience to treasure forever.

*Experience the African sunset*

The Dendron area is ideal for plains game hunting, but we also have some 50 000 hectares of other hunting concessions throughout Southern Africa.

The biodiversity of our concessions offers our clients the opportunity of an exciting variety of hunting experiences in different natural surroundings, i.e. Lion in the mopanie woodlands, Springbuck on the grasslands of the Cape, Oryx on the Kalahari dessert dunes.

*Baobab*

We offer a wide variety of species, ranging from Big Five hunts, plains game hunting and rare species to accommodate all your hunting requirements. It is a well-known fact that, compared to other popular hunting areas, Southern Africa probably offers the widest variety of animals to hunt and M&M Safari's certainly aspires to accommodate all of your requests. We cater for all types of rifle, bow, and handgun, besides also being able to arrange for green hunts on White Rhino.

The various additional options that M&M Safari's can provide makes it increasingly attractive for hunters to bring either groups of friends or entire families along for sightseeing trips to the world famous Kruger National Park (less than 3 hours by road), various other nearby reserves, bird watching tours (there are more that 250 different

species in the area), hiking trails, game drives and night game drives.

*Kudu*

We provide chartered services to and from airports, including Johannesburg and Polokwane International airports. Polokwane can be reached by paved road within 40 minutes. It also offers two private hospitals with all medical services, several shopping malls and Meropa Sun Casino & entertainment world.

We are proud to welcome guests from all over the globe, without any age restrictions. A true hunting safari can only be made possible by a professional hunter!!

We at M&M Safari's are professionals and guarantee you a pleasant experience to remember. We are members of the Professional Hunters' Association of South Africa (PHASA).

We look forward to meet you and offer our hospitality and services to you and your guests.
